## Places to visit if you have a car or want to book a tour – all are approximately one hour from the City:

1. McLAREN VALE is known for its vineyards and wine making. It has more than 80 Cellar Doors all within a short driving distance of each other. Try tastings at CORIOLE, FOX CREEK, WIRRA WIRRA, CHAPEL HILL, d'ARENBERG and see the spectacular d'ARENBERG CUBE!  
Visit the Almond Train at McLaren Vale and maybe have a coffee and a meal at Oscars or at The Red Gum Chinese Restaurant in the main street. There is a good tourist centre also in the main street where you can browse artisan quality crafts and giftware. A visit to the James Hardy Homestead is worth a look and they often have art displays in the buildings alongside.
2. HAHNDORF is the oldest surviving German settlement in the southern hemisphere, with cafes, restaurants and bars down the quaint main street. You can taste cheeses from 'Udder Delights', German sausage tasting, wine tasting, and jam tasting at the Beerenberg Farm Shop as well as Buzz Honey. See the Wolf Blass Gallery and tour Hans Heysen's Studio, finishing the day with German sausage and beer at the German Arms hotel.
3. GOOLWA has a Whale Centre, the Cockle Train as well as boat trips to take you along the Coorong, where they made the movie, *Storm Boy*. There are lots of pelicans and sea birds to be seen. The bridge crosses Lake Alexandrina and leads to Hindmarsh Island. There are bakeries and plenty of other eating places as well as smaller shops in the main street of Goolwa. They also run the old paddle boats from the wharf as well as the tourist boats.
4. VICTOR HARBOR Ride on a horse drawn tram across the causeway to Granite Island. Swim with the Southern Blue Fin Tuna and experience a diverse range of marine life in the In-Sea Aquarium. There's an underwater viewing tunnel and a feeding platform as well as a guided nature and Penguin Tour after dark. The Whale Centre is worth a visit, too. See the information office in the main street near the horse drawn tram terminus for further information.
5. THE BAROSSA VALLEY There are many wineries including Seppeltsfield where you can segway through the vineyards or take a wine tour. Chateau Yaldara at Tanunda is also a popular place to visit as well as Penfolds Cellar Door, not forgetting Maggie Beer's Farm and Shop at Nuriootpa, or Saskia Beer's restaurant.
6. MONARTO ZOO This is one of the world's largest open range zoos. Meet many of Africa's most majestic animals like the African Lions, White Rhinos, Giraffe, Chimpanzees and Cheetah. Allow 4 hours for this visit and one hour's journey from Adelaide. Take the Walk of the Brave and experience the only 360 degree Lion experience. Walk through a tunnel and emerge, almost, but not quite, within clawing distance of the lions.
7. WILDLIFE PARKS Cleland, near Mount Lofty, The Gorge at Cudlee Creek, Warrawong at Mylor, Urimbirra (a smaller but friendly park) on the Adelaide Road, Victor Harbor.
